LEARN EMOTIONAL RELEASE METHODS (ERM)

June 27, 2010 11:30 am to 6:30 pm

This workshop, will provide safe, gentle, yet powerful, energy therapy processes that you can use to free yourself and others from long-standing emotional patterns which have interfered:

- **with your relationships**
- **with financial abundance**
- **and caused health issues**

These energy therapies are amazing in their simplicity and power to effect immediate change in numerous physical and emotional situations. Expect that you will become free of old unwanted emotional responses

Applications to intense fears, grief, relationship issues, health issues, other emotional reactions and ERM's applicability to numerous other life issues will be covered.

Integration of energy therapies with your healing practice and life issues will be discussed with case studies and demonstration as applicable.

Live demonstrations of the practice will be conducted with class participants. Students will work with each other on issues of their choice. Detailed handouts covering the essentials of the process are included.

This is a simple to learn, gentle, fast, dynamic, powerful process that will amaze you and excite you to learn and apply this in your life and in your professional practice.

Participants have often reported that they have used these methods with immediate results after attending the class.
